CIRCULAR

Circular No.: NIT/COE/CIR/2026-42

Date: 10 October 2026

Page 1 of 2

SUBJECT: Extension of Autumn 2026 end-semester examination registration deadline

To: All undergraduate students, Deans, Heads of Department and examination coordinators

Following student representations and a scheduled payment-portal maintenance period, the competent authority has approved the following operational extension.

1. The ordinary examination registration deadline is extended from 5:00 p.m. on 12 October 2026 to 5:00 p.m. on 15 October 2026.
2. A complete registration submitted by the revised deadline will be treated as ordinary registration and will not attract the late registration fee.
3. The five-working-day late registration period will run on 16, 19, 20, 21 and 22 October 2026. Late registration closes at 5:00 p.m. on 22 October 2026.
4. Students must verify their registered courses, payment status and portal acknowledgement before the relevant deadline. A saved draft is not a completed registration.
5. Students who completed registration earlier do not need to register again. Duplicate payment should be reported to Finance and Accounts using the original transaction references.
6. This extension applies only to Autumn 2026 end-semester examination registration. It does not change the examination period, attendance requirement or course registration record.

REGISTRATION INSTRUCTIONS

Circular No.: NIT/COE/CIR/2026-42

Date: 10 October 2026

Page 2 of 2

7. A student whose payment is debited but whose registration remains incomplete must raise portal ticket EXAM-REG with the transaction reference and screenshot no later than 5:00 p.m. on 15 October 2026.
8. A ticket submitted by the revised deadline preserves the student's claim for verification. It does not confirm registration until the Controller of Examinations validates the payment and course list.
9. Requests received after 22 October 2026 are not accepted unless supported by a verified Institute system failure and written approval from the Controller of Examinations.
10. Examination registration does not establish attendance eligibility and is not an admit card. Attendance status and admit-card issue remain subject to the applicable regulations.
11. The Autumn 2026 end-semester examination period remains 26 November to 12 December 2026. The detailed timetable will be published separately.
12. This circular supersedes only the ordinary and late registration dates stated in Examination Registration Guidelines 2026 and Academic Calendar 2026-27. All other provisions remain in force.

Departments shall display this circular and inform students through official channels.
