HOSTEL ALLOCATION CIRCULAR

Circular No.: NIT/SH/CIR/2026-07

Date: 08 July 2026

Page 1 of 2

SUBJECT: Autumn 2026 hostel applications, allotment and check-in

To: All registered undergraduate and postgraduate students

Applications are invited for Institute hostel accommodation for the Autumn 2026 semester. Rooms are limited and will be allotted under the following schedule and conditions.

1. The online application window will open on 10 July 2026 and close at 5:00 p.m. on 20 July 2026. A saved draft is not a submitted application.
2. The provisional allotment list will be published on 24 July 2026. Requests to correct an application record must reach the Student Housing Office by 5:00 p.m. on 27 July 2026.
3. The final allotment and waiting list will be published on 29 July 2026. Students offered a room must complete payment by 5:00 p.m. on 1 August 2026.
4. Hostel check-in will be available from 1 to 3 August 2026. A student who neither pays by the deadline nor reports for check-in may lose the allotment without further notice.
5. Only full-time students registered for Autumn 2026 may apply. Applicants must provide:
 - Institute student ID or admission letter and semester registration confirmation.
 - Permanent address proof and current guardian or emergency-contact details.
 - Approved medical or accessibility accommodation record, where priority consideration is requested.
6. Priority may be given to students with approved accessibility or medical accommodation, new first-year students residing beyond normal commuting distance, and continuing outstation students. Remaining rooms will be allotted according to verified distance and available capacity.

7. An application, priority request or payment does not by itself guarantee a room. Allotment is valid only for the student, room and semester shown in the final allotment record.
8. The hostel room charge is INR 28,000 per semester. The mess advance is INR 24,000 per semester. A hostel caution deposit of INR 5,000 is payable at first allotment. These amounts are governed by the Tuition Fee Structure 2026 and the applicable residential agreement.
9. Students on the waiting list must not make hostel payment until an offer is issued. Vacancies arising after the payment deadline will be offered in waiting-list order, subject to room category and eligibility.
10. At check-in, the student must present the final allotment notice, Institute ID or admission letter, payment acknowledgement and one recent passport-size photograph.
11. Room changes require written approval from the Student Housing Office. Informal transfers, room exchanges, subletting and occupation by an unallotted person are prohibited.
12. A student who withdraws from accommodation must submit the prescribed cancellation request. Any refund or deduction will be determined under the notified fee policy and residential agreement; vacating a room alone does not close the account.
13. False information, non-payment, loss of registration status or a serious breach of hostel rules may lead to cancellation of allotment and further action under Institute regulations.
14. Questions and correction requests should be sent from the student's Institute account to housing.office@northbridge.example, quoting the student number and application reference.

Issued with the approval of the Dean, Student Affairs.

S. Kulkarni

Director, Student Housing
