SUBJECT: Merit Scholarship 2026-27 provisional shortlist and document verification

To: Undergraduate applicants for the Institute Merit Scholarship

The Scholarship Committee has completed preliminary scrutiny of applications received by the revised closing date of 23 September 2026 under Circular SCH/2026/31.

1. The provisional shortlist is available through the scholarship portal. Inclusion in the provisional list is not a final award.
2. Shortlisted students must complete document verification from 08 October to 12 October 2026, between 10:00 a.m. and 4:00 p.m., at Room SFS-104.
3. Students must produce the following original or digitally verifiable records:
 - Previous academic year's official grade report.
 - Current semester registration confirmation.
 - Family income certificate or notified income declaration.
 - Declaration of scholarships, sponsorships and fee concessions.
 - Any approved grade correction or course-equivalence order.
4. A missing or unverifiable document must be supplied by 5:00 p.m. on 12 October 2026. The Committee may remove an incomplete application from final consideration.
5. A factual error in the provisional record must be reported through portal category SCH-CORRECTION within three working days of publication of this notice.

Date: 05 October 2026

6. Minimum academic conditions

6.1 The applicant must have a final CGPA of at least 8.00, at least 36 earned credits in the preceding academic year, no F or unresolved I grade in a compulsory course, and no active disciplinary action or examination-misconduct restriction.

6.2 Verification confirms eligibility only. Final awards remain subject to programme-and-year-group ranking and the number of scholarships available.

7. Ranking and award categories

7.1 Merit Scholarship A provides a 50 percent tuition concession and is normally offered within the top 3 percent of the eligible group. Merit Scholarship B provides a 25 percent tuition concession and is normally offered to the next 7 percent.

7.2 Ties are resolved by higher grade points earned in the preceding academic year, followed by more credits completed without repeat registration, and then the number of A+ and A grades.

8. Important dates

8.1 Document verification: 08-12 October 2026. Record-correction requests: within three working days of this notice. Expected final scholarship list: 20 October 2026. Approved concessions are expected to be posted to student fee ledgers by 31 October 2026.

9. Final decision and disbursement

9.1 The final list will identify the scholarship category and concession. The award is posted against tuition and is not a cash stipend. A student who has already paid full tuition will receive a verified ledger credit or excess-payment refund.

9.2 External scholarships, sponsorships and Institute fee concessions must be disclosed. Combined assistance may not exceed tuition and eligible fees actually charged.

10. Authority

10.1 This notice implements the Merit Scholarship Policy 2026-27. Where this notice conflicts with the policy on academic eligibility, the policy prevails. The revised 23 September closing date applies under Circular SCH/2026/31.
